## IV. Treasurer's Report

- a. Budget requests - *Pulis \$50 for class photos, Jones \$60 for classroom rug. Discussion around why PTC isn't buying Jones a rug. Explained that this is in addition to her district provided rug, and she is using her teacher allotment for the rug, but it is \$60 more than her \$400 allotment (which is an increase from \$150 in the year's past). Ultimately she didn't ask PTC to cover the whole cost. Unanimously approved.*
